

Dear Students,

We would like to inform you on VivaStart Project that is planned to be launched on 4th of March, 2019. The aim of this project is to cultivate the sales of the students and service skills, whilst giving the opportunity of not only salvaging important skills theoretically, but also at a practical level. During the project you will have the opportunity of implementing your knowledge in sales, interpersonal communication, as well as acquire new knowledge and skills in the spheres of telecommunications, customer service and modern technologies.

The project will include 2-day classes, later on practice (at least with a half day involvement), with the opportunity of passing an internship in the service centers of Yerevan and in regions and in Call center until April 30, 2019. At the end of the project certificates will be given out and best students who have shown high performance results will be included in the company's staff reserve – with the aim of occupying vacant positions later on.

To become a member of this project it is necessary to have the following qualifications:

1. High progress, specialization in technical and natural sciences, knowledge of foreign languages;
2. Excellent communication skills;
3. Positive attitude/enthusiasm;
4. Ability to quickly perceive and present;
5. Maintenance of rules/ ethical norms.

To be involved in the project it is necessary to present a CV/ autobiographical and motivational letter, in which should be stated why you wish to part-take in this project, what expectations you have and why we should select you. It is also necessary to state your residence address and preferred regions' 2-3 community, where you could part-take in our project.

The student selection process will be implemented according to the requirements stated above. Students in their 3rd and 4th year of Bachelor, and 1st and 2nd years of a Masters' degree may apply to this project.

Please apply sending your applications till February 17, 2019 to the e-mail address of VivaStart@mts.am attaching the necessary documents. You may also apply through www.mts.am and www.staff.am websites.

Thank you for your interest.
