Our main stories

WUT in times of COVID-19

The COVID-19 (coronavirus) pandemic has resulted in tremendous challenges to our safety, health and education. The current educational context forced our University to rapidly adapt to the #NewNormal by transferring the face-to-face teaching activities into the online environment. Here are some of the activities planned by WUT to help us overcome this turmoil period:

Exclusive online admission process at WUT in 2020. "Start" for pre-registrations!

In order to support the safety of our candidates, the admission process in 2020 at WUT will be carried out exclusively online. The procedures necessary for online admission were elaborated and will include all the stages of admission.

WUT launched a free programme for psychological tele-assistance in times of crisis

Upon establishment of the state of emergency in Romania, WUT initiated a tele-assistance programme of psychological support in situations of crisis, offered by a team of volunteers from the Department of Psychology. The viability of the programme was confirmed, therefore, the service will be expanded free of charge.

1st Digital Graduation Ceremony at WUT

WUT permanently aims to offer its students unique experiences and, since the moment of graduation is a special one, WUT suggests to transform the "impossibility of the moment" into the "uniqueness of the moment". In this sense, the University will organize the 2020 Graduation Ceremony in a digital format, transmitted via live streaming system on July 18th 2020.

1st Postgraduate Programme for Online Teaching at WUT

"Educational and Digital Resources for Online Training" is a postgraduate programme addressed to pre-university teachers. The study programme lasts for 7 weeks and aims to train teachers from pre-university educational system in Romania, in carrying out teaching-learning-assessment activities online.
