

Coordination meeting of the BOOST program and a national open conference on "Internationalization at the national level".

On 2017-20-21 November, the American University of Armenia hosted a coordination meeting of the BOOST project, as well as an open national conference on “Internationalization at the national level”.

Armenian partners of the project– Armenian State Pedagogical University, American University of Armenia, Shirak State University after M. Nalbandyan, Vanadzor State University after H. Tumanyan, Yerevan State Conservatory after Komitas, RA Ministry of Education and Science, National Information Center for Academic Recognition and Mobility, as well as representatives of EU partner universities from Spain, Estonia, Sweden and Portugal were taking part in the coordination meeting

During the meeting, the head of the international cooperation Department of ASPU Kristina Tsaturyan presented the project’s achievements, further process, and the draft National strategy for internationalization.

Reference was also made to the creation of a national platform for internationalization and the current legislative regulatory framework.

RA Deputy Minister of Education and Science Vahram Mkrtchyan, Vice President of the American University of Armenia Randol Rhodes, ASPU Vice-Rector for Internationalization Ara Yeremyan, as well the Coordinator of the Erasmus + Program National Office in Armenia Lana Karlova opened the conference on "Internationalization at the National Level". :

Representatives of partner universities from Spain, Portugal, Estonia and Sweden spoke about the internationalization strategy in their countries.

In the second part of the conference, the participants were divided into groups and with the help of facilitators using the World Cafe Method to discuss issues related to internationalization strategies.
