

Training and Coordination Meeting Conducted by the Polytechnic University of Catalonia within the framework of ERASMUS+ BOOST Program

On February 19-23 of this year, within the framework of ERASMUS+ higher education capacity building “Boosting Armenian Universities' Internationalization Strategy and Marketing / Boost” project, 25 participants from different Universities such as Armenian State Pedagogical University after Khachatur Abovyan, American University of Armenia, Shirak State University, Vanadzor State University, Yerevan State Conservatory after Komitas, the RA Ministry of Education and Science and the National Information Center for Academic Recognition and Mobility took part in the training organized by the Polytechnic University of Catalonia, Barcelona.

The representatives of Shirak State University after M. Nalbandyan were the vice-rector and the head of the Center for Scientific Policy and Foreign Cooperation Management Anahit Farmanyan, the chief specialist of the same center Asya Harutyunyan, the chief specialist of the Center for Educational and Methodological Process Management and Employers' Cooperation Center Elvira Zargaryan and the lecturer Hovik Melkonyan.

The training aimed at developing the appropriate skills and abilities for the development of an international strategy plan. The participants were introduced to the mechanisms, procedure and methods of developing an internationalization strategy plan.

During the interactive trainings, the participants also did group work and at the end, each university presented a schedule for developing its own internationalization strategy plan.

The trainings were followed by a project coordination meeting, during which the outcomes and achievements of the project, as well as the scope of further activities were discussed.

The trained participants will conduct similar trainings in their HEIs.
