The following scale is used for all types of evaluations/examinations of Bachelor, Master students:

- 86-100 excellent
- 71-85 good
- 40-70 sufficient
- 1-39 (failing grades)

ShSU uses ECTS for transfer and accumulation. The ECTS credit is a notional, averaged unit of 30 hours of student workload for passing a course (contact hours, any form of individual study). Each degree curriculum has 30 ECTS per semester. Each department individually establishes the number of course credits based on its weight regarding the standard workload students need in order to achieve the expected learning results. Credits are awarded only if the student fulfils all the requirements necessary for passing.
